This is the final contract and fully approved by insurers. Details of insurers signed participations are shown below.

Please read these documents carefully and advise us immediately if the cover does not comply with your requirements.

Please note that insurers will not automatically renew this contract when it expires. We look forward to negotiating renewal terms with insurers as soon as we have received your declaration of the essential underwriting information towards the expiry of this Contract of Insurance.

In order for us to comply with the Terms of Trade stipulated by Underwriters please ensure that payment is made to Price Forbes & Partners Ltd on or before the due date shown on our debit note. We look forward to your earliest confirmation of transfer of funds.

#### Material Information and Fair Presentation

We rely on you (the insured) to provide us with the information about your business and the risks to be insured to enable us to arrange insurance to meet your needs. You must ensure that the information provided to us is complete, accurate and discloses all material facts and/or circumstances to enable us to make a "fair presentation" of the business and the risks on your behalf to insurers.

A material fact and/or circumstance is a fact or circumstance that you know, or ought reasonably to know, which would influence any prudent Insurer as to whether to underwrite the policy or the terms and conditions to impose.

A fair presentation is one which:

- Is clear and accessible to insurers
- Discloses all material facts and/or circumstances known to you or which ought reasonably to be known to you
- Discloses anything which is special or unusual about the risk to be insured which includes anything that would make a loss more probable or more severe
- Has been prepared after you have made and documented, a reasonable search for material facts and/or circumstances available to you whether held within your own organisation, or held by any external third party(ies) who may know of material facts and/or circumstances. This will include (but is not limited to)

Warranties

Warranties, where applicable, are important provisions contained within the contract of insurance that must be complied with at all times. A breach of warranty may discharge insurers' liability to pay claims. It is important that you read all contractual documentation carefully and if you are unsure or unable to comply, please contact Price Forbes & Partners Limited ("Price Forbes") in the first instance.

Conditions Precedent

Please take note of any conditions precedent that appear in the contract of insurance. If a condition precedent to the validity of this contract of insurance or the commencement of the contract of insurance is not complied with, insurers liability to pay a claim may not have been established. If a condition precedent to the insurers' liability under this contract of insurance is not complied with, the insurers may not be liable for the loss in question. It is important that you read all contractual documentation carefully and if you are unsure or unable to comply, please contact Price Forbes in the first instance.
